

Preceptor Evaluation of Student Form

MSN RODP Education Concentration: Nursing 5209

Thank you once again for agreeing to work with a MSN student from the Regents Online Degree Program of the Tennessee Board of Regents. Please evaluate the overall work and contribution of the student using the following scale:

- 0 = no opportunity to assess
- 1 = poor and/or minimal
- 2 = limited and/or some
- 3 = average and/or moderate
- 4 = good and/or as expected
- 5 = excellent and/or exceeded expectations

The Student:	Rating
1. The student's grasp of the theoretical framework for nursing education as preparation for the clinical internship experience was:	0 1 2 3 4 5
2. The student's ability to transfer theoretical understanding into practical application was:	0 1 2 3 4 5
3. The student's focus on learning during the internship to gain additional insight and understanding into the activities and processes found in the clinical environment was:	0 1 2 3 4 5
4. The student's professionalism was:	0 1 2 3 4 5
5. The student's grasp/use of teaching strategies, and other curricular activities was:	0 1 2 3 4 5
6. The student's grasp of technology integration in teaching environment was:	0 1 2 3 4 5
7. The student's ability to function as a viable member of the faculty/education team by the end of the internship was:	0 1 2 3 4 5
8. The student's ability to communicate (written and/or verbal) with others was:	0 1 2 3 4 5
9. The student's ability to apply education/learning theory to process was:	0 1 2 3 4 5
10. The student's overall contribution to the organization's education team was:	0 1 2 3 4 5
11. The quality (content depth, scope, & presentation) of performance was:	0 1 2 3 4 5
12. The degree that the student's learning objectives for the experience were met was:	0 1 2 3 4 5

Please email this file directly to the faculty. A copy may or may not be provided the student based upon the preceptors choice
